

**Assistive Technology: The tip of the iceberg**  
 Australian Rehabilitation & Assistive Technology Association National  
 Conference  
 Tuesday 10 – Friday 13 August 2010, Hobart, TAS

**Expression of Interest Form**

On behalf of the conference organising committee, it is our pleasure to invite you to the 2010 ARATA National Conference, AT: The tip of the iceberg, to be held in Hobart, Tasmania, from Tuesday 10- Friday 13 August 2010. With the conference being held in Hobart, Tasmania, the home of the ice breakers heading to the Antarctic, papers will similarly crack through the surface to look more deeply at what lies beneath, explore new frontiers and meet the challenges of the pitfalls and crevasses. There will be an emphasis on thinking beyond the prescription of equipment to look more deeply at the issues of funding, training and support for users and their support personnel, and helping consumers to have the endurance to persevere with their equipment, despite the obstacles. Like the Antarctic explorers, there will be a focus on research and discovery - showcasing new products and ensuring ease in the use of equipment by capitalising on universal design and mainstream products. 'ARATAS 2010' will be full of new territory to explore, with the promise of many adventures to come in the field of Assistive Technology.

It is with pleasure we invite you to ARATAS 2010

Karen Frost & Christopher Bryg  
 Convenors, ARATAS 2010
